MobileOffice D430

❖ SOFTWARE

DocAction

Plustek DocAction
Button utility to simplify document scanning. DocAction enables you to specify your personalized scanning configuration settings and scan documents with the click of a button. Scanned documents are automatically sent directly to Printer, Email, Folder or FTP. DocAction also enables you to scan directly to many imaging and document management applications. DocAction saves scanned documents in all common imaging formats including JPEG, TIFF, and PDF.

❖ BUILT-IN OCR

Plustek OCR

Plustek OCR *
Plustek OCR (powered by ABBYY) helps to convert scanned paper documents, photos, and PDF files into editable formats. With Plustek OCR, you can convert paper documents to editable formats, including Microsoft® Word®, and Excel®, edit resulting documents, and reuse their text and other content.

Scans and saves documents in 2 or 3 color modes at same time.

Color   Grayscale   B & W

Healthcare   Hospitality   Business Organization

Ideal Receptionists Tool for Your Digital Transformation

The MobileOffice D430 is a great solution for scanning patient registration documents and insurance cards. The small footprint and unique paper exit system enable it to be used on crowed registration desks.

SEARCHABLE PDF
Save paper documents as searchable PDFs at the touch of a button and find your information faster.

OCR Abc
Optical Character Recognition function that helps to convert scanned books and paper documents into searchable PDF and Microsoft Office file formats.

AUTO DESKEW
Automatically straightening an image that has been scanned, to make the scanning job more pleasant and enjoyable.

AUTO CROPPING
Provide automatically removal of the outer parts of scanned image, to improve framing without using any extra image editing software.
