# How — AutoFill ID Wizard — Works

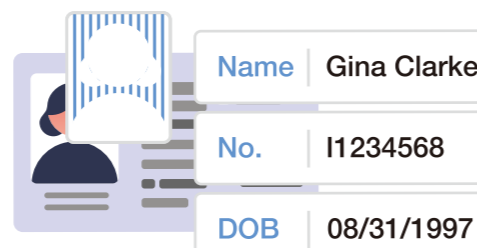

AutoFill ID Wizard streamlines ID processing through a simple, automated workflow:

**1**

**Image & Data Capturing**  
Scan and digitize ID documents instantly.

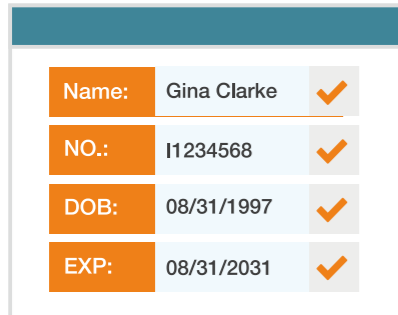

**2**

Name	Gina Clarke
No.	I1234568
DOB	08/31/1997

**AI-Powered Data Extraction**  
AutoFill ID Wizard streamlines ID processing through a simple, automated workflow.

**3**

Name:	Gina Clarke	✓
NO.:	I1234568	✓
DOB:	08/31/1997	✓
EXP:	08/31/2031	✓

**Automated Integration**  
Automatic data to forms, reducing errors and speeding workflow.

**4**

**Seamless Data Population**  
Instantly integrate into your system with 100% accuracy.

## Key Features

### Less coding

AutoFill ID Wizard simplifies automation with pre-built functions, enabling quick, easy process automation without complex coding.

### Increase Efficiency

AutoFill ID Wizard frees employees for complex, high-value work, boosting productivity and ensuring swift, accurate task completion for enhanced efficiency.

### Seamless Integration

AutoFill ID Wizard works versatility across web form and/or desktop application without extensive integration.

### Customer Satisfaction

automated processes ensure consistent, high-quality service with faster response times, accurate data processing, and error-free transactions.

### Eliminate Manual Data Entry

Automate data extraction and integration to minimize human errors, reduce labor costs, and free up employees for higher-value tasks.
